CHALLENGES AND OPPORTUNITIES.

In the *Documents to review* window, choose the type of document (in this case *Abstract*), and click on search (See Figure 1). To initiate the review, click on the [+] sign to access the *Document review detail* windows (see Figure 2).

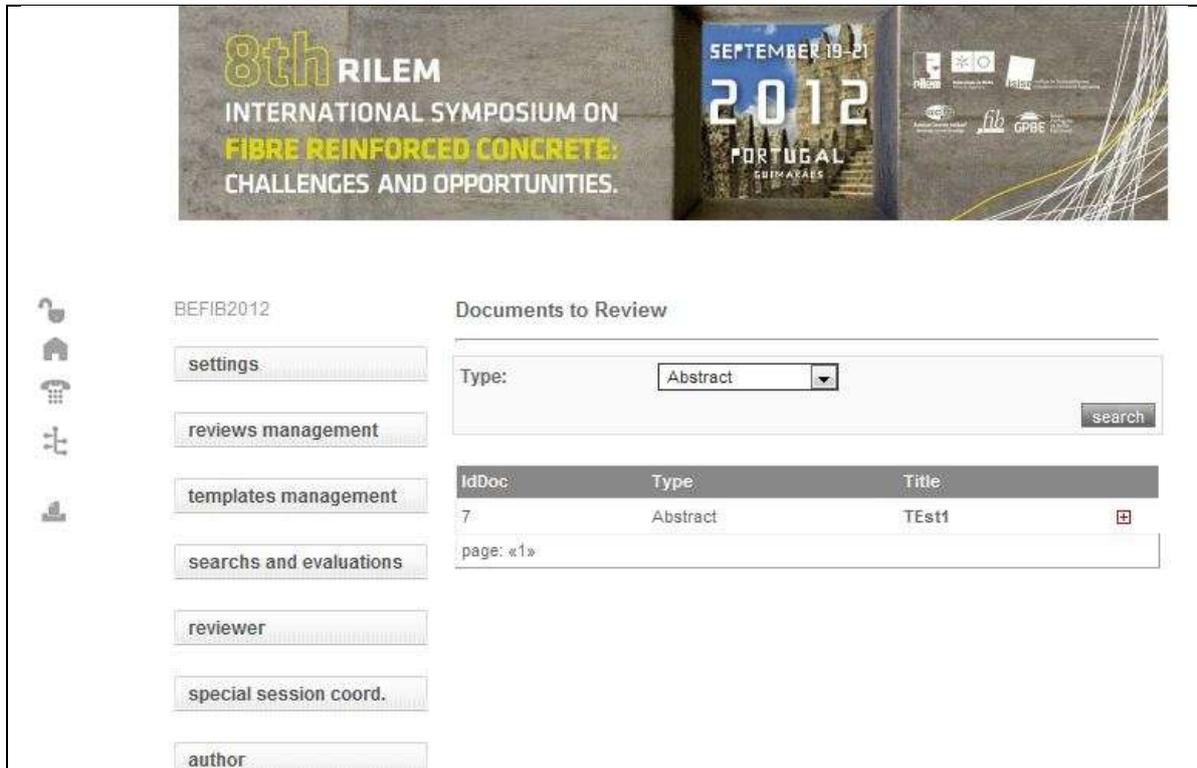

Figure 2. Document to review window where a list of documents to be reviewed is presented.

From the *Document review detail* window, the abstract can be downloaded and read. The review is performed in the same *Document review detail* window. As shown in Figure 3 and 4, choose the relevance of the topic (one of the four option much be chosen!).

Then, in *Comments for the Committee*, choose between Accepted/Rejected and introduce comments for the Organizing Committee and the Author (in respective windows).

To finalize the review, do not forget to press FINISH REVIEW.

Please send an email to the secretariat informing of the conclusion of the review so that the author may be rapidly notified.
